9. ☐ Other _____

Art Unit: 2873

Allowed Claims: 1-5, 7-16, 18-19, 21-32, 35-39.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with reference to independent claims 1 and 35 none of the prior art either alone or in combination, disclose or teach of the claimed electro-active contact lens, specifically including, as the distinguishing feature in combination with the other limitations, the claimed means for stabilizing the view detector between a palpebral fissure of a patient's eye when the contact lens is worn by a patient. Specifically, with reference to independent claim 16, none of the prior art either alone or in combination, disclose or teach of the claimed method for making an electro-active contact lens, specifically including, as the distinguishing feature in combination with the other limitations, the claimed stabilizing the view detector on the contact lens between a palpebral fissure of a patient's eye when the contact lens is worn by a patient. Specifically, with reference to independent claim 30, none of the prior art either alone or in combination, disclose or teach of the claimed electro-active contact lens specifically including, as the distinguishing feature in combination with the other limitations, the claimed electro-active element and view detector contained within a capsule. Specifically, with reference to independent claims 31-32, none of the prior art either alone or in combination, disclose or teach of the claimed electro-active contact lens specifically including, as the distinguishing feature in combination with the other

limitations, the claimed view detector comprising a tilt switch, or a micro gyroscope or a micro accelerometer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jordan M. Schwartz whose telephone number is (571) 272-2337. The examiner can normally be reached on Monday to Friday (8:00-5:30), alternate Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Georgia Y. Epps can be reached at (571) 272-2328. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
